Boarding gates may close 30 mins before departure.

Allow plenty of time to get through security and to your departure gate, especially in busy periods.

**DEPARTURE**

Photographic identification is required on all flights. Please ensure you have valid photographic ID and that you have obtained any required visas in advance of travel - any visas must be verified prior to you clearing airport security.

**IDENTIFICATION**

We allow one item of hand luggage per person (max. 56 x 45 x 25cm and weighing no more than 10kg) plus a small personal item. To save space in the overhead lockers please place smaller items beneath the seat in front of you. You may be required to check in your cabin baggage free of charge on full flights unless you have purchased Guaranteed Cabin Luggage, in which case we will ensure your cabin baggage remains in the cabin.

**CABIN BAGGAGE**

If you have hold baggage to check in, please proceed to the check-in desks before you go through security. We recommend you arrive at least two hours before your flight, as check-in desks will close 40 minutes before your scheduled time of departure.

**HOLD BAGGAGE**

Please respect our ONBOARD TOGETHER policy, and remember that only alcoholic drinks which have been served by our cabin crew may be consumed on board the aircraft. Jet2.com may take formal legal action against anyone whose behaviour causes offence or disruption to our customers or colleagues.
